 Report No 22

S. W. C. Committee
 The Fire Water and Light Committee

met on Saturday June 25th 1887 and report that we have considered the following accounts and recommend their payment:-

2	Freight on Hore, and hauliers	\$139 ⁴ / _{xx}
4	R. Rutherford, Hauling engine	\$30 ⁵⁰ / _{xx}
4	Patrick Heffron,	\$6 ²⁵ / _{xx}
5	Thos Porter	\$6 ²⁵ / _{xx}

In considering the account of John Dougall for refreshments furnished to the Vancouver and Westminster Fire Brigades we consider that one hundred dollars would be ample remuneration for such refreshments and recommend the payment of that amount.

We recommend that the Fire Hall not be fenced in at the present.

sgd Rich. L. Alexander,
Chairman

Adopted Motion - D. Oppenheimer

Report No. 3

The Board of Works,
The Board of Works met on Tuesday June 24th 1887 and report that they have considered the petition of Bewick and others for a bridge over a creek on 200 a and have instructed the City Engineer to examine and report.

We recommend that a contract be given to Stephenson and McCumey to enclose that part of the cemetery improved by a rail

fence cedar posts all around and
 2 ft 6 in in the ground and put in a
 double gate hung, for the sum of $\$90^{\frac{00}{77}}$

we have instructed the
 City Engineer to make the crossings of
 the lane possible between Powell and
 Alexander Streets east of Westminster
 Avenue, and to give W.B. Wilson the
 grade asked for and to run the street
 line according to the old survey.

With reference to the petition
 of H.A. Jones for the opening up of Ninth
 Avenue we recommend that the con-
 sideration of the matter be deferred as
 money is more urgently needed to be
 expended in other parts of the City.

we recommend that
 Dunbar Avenue be improved as
 petitioned for by the Deum and others
 and that two six foot sidewalks be laid
 and that the bank be provided with
 soon as possible.

we recommend that
 action be taken towards the opening up
 of Dubois Street until Westminster
 is improved.

With reference to the petition
 for the improvement of Hamilton Street
 we recommend that their prayer be
 granted and that one six foot sidewalk
 be laid down and that the work be pro-
 ceeded with in rotation.

we recommend the ac-
 ceptance of the tender of H. Law for the pur-
 chasing of cast iron junctions for sewers
 at 4 cents per pound.

Tenders.

The following tenders have been received for the drain between Dupont and Oppenheimer Street.

Bayland & Landrum 20 cents per foot -
W.C. Meier 15 1/2 " " "

We recommend the acceptance of the tender of W.C. Meier.

We recommend the payment of the following accounts,

✓	W.S. Cook, hauling lumber	\$6 00
✓	John Bushbert, making grommings	\$4 00
✓	Wm. Hardin, Laid on Oppenheimer St	\$100 00
✓	" " grading street to Spralls	\$50 40
✓	Alcock and Duval, filling	\$20 00
✓	H. Bowers, plugging drain	\$4 00
