Report

No 44

The Board of Works,
 The Board of Works met on Monday
 July 4th 1887 to consider tenders for
 constructing sewers and bid to sub-
 mit an analysis of the tenders as
 made by the Sewerage Engineer
 J. A. Hamilton
 Chairman.

City Hall, Vancouver ¹⁴ July 1887
 The Chairman and Members
 of the Board of Works,
 Gentlemen,

In accordance
 with your verbal instructions I have
 examined the tenders for sewerage and
 have the honor to report:

1st That Four tenders have been received
 Messrs Cook & Sweet, \$8166 $\frac{68}{7x}$
 " McDonald & Cameron, 6090 $\frac{66}{7x}$
 " Stephenson & McCreaney, 5783 $\frac{35}{7x}$
 Mr W. Harkins, 5183 $\frac{36}{7x}$

2nd On checking the Bills of quantities
 regard to rates and prices I found a few
 trifling errors which should make the
 total amounts read thus viz.

Messrs Cook and Sweet, \$8174 $\frac{55}{7x}$
 " McDonald & Cameron, 6136 $\frac{11}{7x}$
 " Stephenson & McCreaney, 5788 $\frac{40}{7x}$
 Mr W. Harkins, 5184 $\frac{52}{7x}$

3rd The prices of the outlet work, masonry
 and joists and flooring are as follows:

Messrs Cook and Sweet, \$2472 $\frac{82}{7x}$
 " McDonald & Cameron, 2053 $\frac{47}{7x}$
 " Stephenson & McCreaney, 2154 $\frac{20}{7x}$
 Mr W. Harkins, 1761 $\frac{10}{7x}$

Being in mind that the additional
 work will exceed that provided for
 in these tenders it would appear that
 deducting the cost of the outlet works the
 following are the amounts on which
 the Contractors proportionately tender
 for the sewers viz.

Messrs Cook and Sweet	5701 $\frac{63}{100}$
" McDonald & Cameron	4080 $\frac{64}{100}$
" Stephenson & McCreaney	3134 $\frac{10}{100}$
Mr W. Hardin	3423 $\frac{42}{100}$

In the tenders sent in by Messrs McDonald and Cameron and Stephenson and McCreaney the bonds are not signed by the Boutsman

5. Mr Hardin asks for 60 days and Messrs Cook and Sweet 90 days for the completion of the work. I may add that I do not think under the circumstances the former period is sufficient.

I have the honor to be gentlemen
Your obedient servant
Edw. Edward Holman Esq.

Moved by Alderman Lepeve seconded
by Alderman D. Appenheimer.

That the tender of Wm Hardin
for the construction of the Sewers be
accepted and the contract signed
forthwith. Carried.

Moved by Alderman Isaac Appenheimer
seconded by Alderman Humphries.

That the City Clerk be
instructed to notify all Contractors that
unless all contracts now in force or in
future to be in force, are completed ac-
cording to the time specified in such
contracts that the City Council will
take them off the Contractors' hands and
complete them and charge the additional
cost if any to such Contractors.
Carried.
