We have considered Mr H. Abbot's communication regarding the terms upon which C. P. D. Patients would be admitted into the City Hospital

We would beg to recommend that the figure be placed at the rate of \$5.00 per week for each patient.

As the City Hospital is now about completed this Committee would beg to be empowered to purchase the necessary furniture therefor and that the Chairman be authorized to purchase drugs and such appliances as he may consider requisite for the warding of the medical department of the institution.

The Medical Health Officer reports that parties are connecting with surface drains for the purpose of running off slops etc. <sup>Thereby</sup>

endangering the public health of the city, and recommending that steps be taken to prevent such connections.

In accordance with said report we would recommend that Council take steps to prevent the drains from being used except for the purpose of carrying of surface water.

Moved by Alderman Lefevre, seconded by Alderman McConnell that the Report of the Health Committee be adopted. Carried.
