Reports.

boards.

No 42.

537

The Board of boards met on Friday December 7th 1888 and beg to recom-  
mend.

- 1 That a coal and wood shed be erected in the rear of the City Hall and the yard fenced in if there are funds sufficient for the purpose.
- 2 That tenders be again called for filling in Dupont Street between Carrall Street and Columbia Avenue. Hugh McDonald having failed to comply with his tender for said work.
- 3 That the City Engineer notify the water boards to fill up certain

315

holes in the Streets and made other repairs necessary for safety, particularly at the corner of Bender and Franklin Streets and at the corner of Cambria and Hookings Streets and that said repairs be made at once or else the City will be compelled to attend to it.

- 4 That tenders be called for the grading of Powell Street from Campbell Avenue to opposite the Smelting works and that the City Engineer examine and report upon the extension of Hookings Street from Campbell Avenue to the Park.
- 5 That the City Engineer clear the right of way on Powell Street between Campbell Avenue and Boundary Avenue and have a good gulch put down across Powell Street in the low lands. Also that the Street in front of the Burrard House be repaired.
