Report of Arbitration Committee.

Vancouver June 28. 1890.

To the Council of the City of Vancouver.

We have this day inspected the pre-
mises lately occupied as a Japanese Store
and for dwelling purposes on Lot 12,
Block 3, S.G. 2 which was partially
destroyed by fire on the evening of the 27th
instant and we find that the damage
done to same is of such a nature that it
would require an outlay of far more
than 25% of its value before the fire
to put the premises in the same con-
dition of repair as heretofore.

We therefore in accordance with pro-
visions of By Laws No 85 and 49 of this
City prohibit any repairs whatsoever
from being done on said damaged wood-
en building and hereby order the removal
of the remains of said damaged building
forthwith.

And we further order that the Fire Inspector
send a copy of this Report on Messrs
Hayes & McArthur the owners of said
damaged wooden building at once with a
request that they forthwith comply with its terms.
