

Five dollar reward offered to report those dumping on city streets – March 5, 1888

Five dollar reward to report those dumping on city streets. Approved \$20 to man whose team of horses had been destroyed after being infected by glanders. Approval to raise \$125,000 by way of debentures for general improvements. Request to provincial government to sell lands for settlement. Note that in these times every individual payment needed to be approved by the Council so most meetings had extensive lists of costs.

Reports.

Works. No. 93

The Board of Works met on Friday March 2nd 1888 and beg to report that an application has been received from Mr F. M. White for permission to construct an addition to the Senate Saloon, covered with Corrugated Iron.

The City Solicitor having decided that the construction of said infringement of the Fire limit By-Law we would recommend that said application be refused.

The petitions of Messrs Skene, Ramage, McMorran, Williams et al praying for certain street improvements have been received and filed to be brought up at some future time when the Board is in a position to deal with them.

We have instructed the City Engineer to lay a temporary sidewalk on Georgia Street; two feet wide, with old plank, from the end of the present sidewalk to Bute Street.

We have considered the petition of Messrs Budlong, McIntosh et al for the placing of Street Monuments on Seventh Avenue and would deem it inadvisable to authorize the City Engineer to place such Monuments until permanent landworks are established.

The following accounts are recommended for payments:-

Johnston, Brown & Co final on Tank \$256.00

[vol 2 page 224]

H. F. Keefer, Estimate on Gravel \$936.17

Sgd. H. Bell-Irving, Chairman

Moved by Alderman Dougall Seconded by Alderman Mannion.

That the report be adopted. Carried.
Finance No. 94

The Finance Committee met on Friday March 2nd 1888 and would beg to report recommend that Mr. T. T. Black be notified that his services as Police Magistrate and City Solicitor will be dispensed with after one month from date of notice.

In regard to the communication of Mr. Jos Armstrong, asking Council to subscribe towards a map showing the agricultural districts in British Columbia we think that as the Council is already committed to the printing in pamphlet form of the reports of the various Committees, which might at the same time be combined with a map in the form of a folder, that it would be inadvisable at present to adopt any new advertising scheme.

Complaints having been made that parties are in the habit of dumping night soil, offal etc on the streets and bridges within the City limits, thereby creating a nuisance, we recommend that a reward of \$5.00 be offered for the detection of such party or parties.

We recommend that

[vol 2 page 225]

James McKeown be paid \$20.00 as a recompense for his team, destroyed by the police for being affected with glanders.

Sgd. Rich H. Alexander, Chairman

Moved by Alderman Bell-Irving Seconded by Alderman Mannion.

That the report be adopted. Carried.

Report of Special Committee.

The committee appointed by Council to take into consideration the petition praying for the reduction of the qualification for Mayor, Aldermen and Voters met in the Mayor's office on Wednesday February 29th 1888. Alderman Lefevre in the Chair.

After reading over and discussing the petition it was resolved that subsection 3 of Section 4 of the Vancouver Incorporation Act 1886 and the Vancouver Incorporation Act Amendment Act 1887 be amended by striking out the word "two" in the Seventh line and inserting the word "one" in lieu thereof; and that subsection 2 of Section 6 be amended by striking out the words "three hundred" in the 2nd line and inserting the words "two hundred and fifty" instead.

Moved by Alderman Alexander Seconded by Alderman Couth.
