Respecting the application of the Trustees of Lots 1 to 7 and 29 to 35 in Block 67 District Lot 185 to have the lane between said lots closed, the City Solicitor advise us that it is within the power of the Council to close same but that the Corporation will be liable for any injury done to individuals who have already purchased lands in the vicinity through the closing of said lane.

Messrs Garden and Hermon having offered to establish the street corners in the old Granville Townsite for \$100.00 we recommend that their offer be
