

City band gets \$400 for musical instruments – July 14, 1890

\$400 set aside to purchase musical instruments to form a city band as petitioned. City was advised by legal counsel to have the morgue moved away from its present location. As CPR has donated half a city block for a school in the eastern part of the City, Council decides to buy adjoining lots as a school recreation ground.

Carried

Moved by Alderman Costello
Seconded by Alderman Mason

Whereas a copy of certain resolutions, passed by the Vancouver School Board, at a meeting held this day, has been received by this Council together with a request for its Co-operation in order to obtain adequate space for the requisite school accommodation in the eastern portion of this City
And whereas it is also the opinion of this Council that it is necessary to secure an entire block of land, adequate for School purposes in that district And whereas the Canadian Pacific Railway has graciously donated to the Government for School purposes the Western half of Block 74, 196
And whereas the building proposed to be erected thereon will cover so large a proportion of the area of the western half of Block 74, that the remaining space will be too small for the purposes of recreation
And whereas by reason of the said gift of land by the Canadian Pacific Railway, the proceeds of the sale of the old school property and the balance that will remain from the \$2200 building fund there will remain in the hands of the Government a sum sufficient to purchase the remaining easterly half

[Volume 3 page 464]

of Said Block 74

An whereas had it not been for the generous action of the Canadian Pacific Railway, the Government could have been under the necessity of purchasing the westerly half of said block 74 for School premises and have thereby saved the amount which it will cost to buy the said easterly half of said Block 74
And whereas the Vancouver School Board respectfully requests the Government to purchase the additional lands required for School purposes

Be it resolved

That this Council hereby expresses its approval of said resolutions passed by the Vancouver School Board and begs to impress upon the Government the necessity of purchasing the easterly half of Block 74 for School premises

And further be it resolved that the City Clerk be instructed to forward a copy of this resolution to the Hon. John Robson, Provincial Secretary and to each of the two members representing this City.

Carried, Alderman Browning dissenting

Moved by Alderman Garden
Seconded by Alderman Mason

That the reduction of the grades on Richards and Seymour Streets crossings on Hastings Street be referred to the Board of Works with power to act.

Carried

[Volume 3 page 465]

Consideration of By-Laws

Moved by Alderman Browning

Seconded by Alderman McLeod

That the By-Law to amend By-Laws Nos 79 & 84, known as Trades License By-Laws be read a 2nd time.

Carried

The By-Law was accordingly read a second time.

The Council went into Committee of the Whole on By-Law with Alderman Browning in the Chair.

In Committee the By-Law was read over clause by clause, and reported back to Council as complete with amendments. The By-Law was then read a third time on motion of Alderman Browning, seconded by Alderman Sentell and passed.

Notice of Motion

Alderman Garden gave notice that at the next meeting of Council he would introduce a motion to the effect that the Report of the Board of Works in every case be laid over for one week from the time of its being read for the consideration of the members of Council before being finally acted upon.

The Council then adjourned.
